

# T - H 15 to 36

## Pre-Made Pouch Series

### General description

The Pre Made Pouch from Totpack, have been designed for the automatic packaging of a wide range of liquid and solid products.

From a feeding store or conveyor of pre-formed sachets, they are taken and moved to the opening,

filling and sealing stations. These models are provided with 2 filling stations and 3 top sealing stations (one of them cooling as well) in order to guarantee a perfect sealing of the bag.
